Give your Everyday Heroes a voice

Employee engagement surveys designed for HR and people teams with deskless, hybrid, and remote everyday heroes.

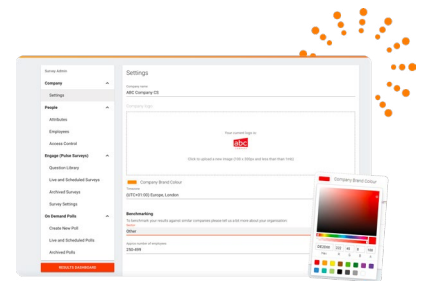

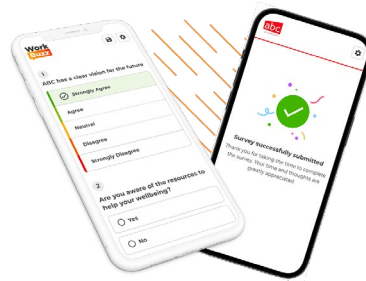

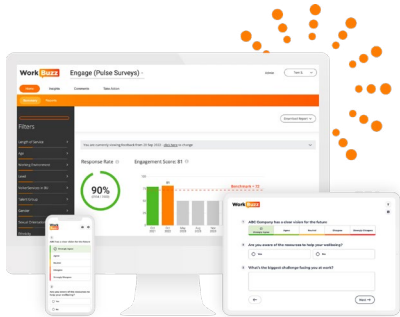

Trusted by:

Your employees are **'Everyday Heroes'**. They're your difference-makers, and our simple, flexible and customisable **survey platform** gets you closer to every single one of them.

Simple

- Intuitive dashboards built for busy managers.
- Launch annual, pulse and ad hoc surveys within minutes.
- Quickly pinpoint the factors impacting employee engagement.

Flexible

- Reach all your employees, wherever they are and whatever they do.
- Make surveys accessible via multiple devices and touchpoints.
- Run surveys as often as you like, with no hidden costs.

Customisable

- Use our best-practice survey templates.
- Add bespoke questions to suit your organisation.
- Export results as .ppt, .pdf and .xls.

More than just surveys...

Great employee engagement doesn't come from surveying alone. Our in-house **People Science consultancy team** is on hand to ensure your employee listening strategy delivers the right insights and drives the right change for your organisation.

“ It is such a joy and privilege to work as part of our passionate and dedicated LKQ Euro Car Parts team to drive our engagement journey. WorkBuzz have acted as indispensable partners in our ongoing ambition to make us truly an employer of choice and a fantastic place for all our colleagues to work ”

Donna Fearnley, Group HR Director
